

DESIGN TEMPLATE

Use template to draw your preliminary design for submission

12' X 12' MAXIMUM DESIGN/BUILD AREA

SCALE .5" = 1'

Deck The Chairs is an original holiday light decorating festival that celebrates the Jacksonville Beach communities. Utilizing the iconic Lifeguard chairs, artists will be challenged to construct coastal-themed designs that mount to the red chairs and remain on display throughout December. Only 40 chairs will be available for this event. September workshops and additional design criteria will supplement the process.

- Average chair is 5.5' wide by 7' deep and 9' tall.
- Design cannot exceed 12' x 12' x 12' design space.
- Chair cannot be physically altered. All construction will be an "enhancement."
- All design work will be approved by Deck The Chair Design Committee.
- Attending workshops (1-2 planned) is mandatory.

Chair Decoration: Latham Plaza, 8a.m. - 7p.m. November 28, 2014
