CHAIRS

PRESENTED BY

Deck The Chairs promotes the arts and encourages creative collaboration. In 2013 DTC launched an annual holiday tradition for community to decorate and display lifeguard chairs. The event focuses on design/build and provides free public space for artistic expression including dance, music and theater.

Deck Your Chair Challenge is a fun design/build fundraiser supporting DTC programming. The challenge showcases creativity with participants reimagining and artistically transforming ordinary chairs. Prize money for winners in three divisions — **student, amateur and professional**. Rules, entry fees and deadlines at deckthechairs.org
